

THE BAHAMAS IN MIAMI

Are you dreaming of the dazzling turquoise waters of the Bahamas, but think a trip like that is too complicated and expensive to plan? What if we told you that you can make that dream come true – and you wouldn't even have to leave the country? Our charter **"The Bahamas in Miami"** is an 8-hour private yacht tour that will take you around the beautiful waters of Miami and set anchor to explore the many hidden wonders it has to offer.

Water toys, dolphin-spotting, wildlife watching, and more await you on this private yacht experience. You'll feel like you're in the Bahamas, without the expense and headaches of international travel.

Depending on weather and your group's swimming chops, you will have a chance to choose between Fowey Rocks Light-house or Elliott Key as your final destination and enjoy many other sights on the way from breathtaking views of Downtown Miami to the unique and historic Stiltsville

The turquoise water? Check! The blue sky? Check! The feeling of the Bahamas? Check!
